PREVIOUS STUDENTS HAVE SAID:

- I like the interaction – great conversation.
- It was evident that this School was bathed in prayer – The peace and rest of God permeated the whole teaching time.
- I liked the opportunities to move around and connect between deep learning experiences. I liked having the supplemental books and materials.
- It inspired me; I’m inspired to pray more, to walk more often with whole spiritual awareness, to become a prayer partner with my husband.
- I appreciate the reminder of our spiritual authority in Christ as his ambassadors.
- I loved every single session – All of it was filled with nuggets. We are equipped to do what Jesus did.
- Meeting others in the body of Christ helps to get the big picture from God. Our congregation isn’t the only one God is working through. This School promotes unity through the body.
